

## Back Panel Heading

If provide the opportunity to serve as one of your elected on reserve councillors, I will take forward my commitments and pledges by insuring that they have been met to the members standards, as well as my own.

I will utilize the same energy, drive, devotion and resourcefulness that enabled me to build a successful business and these same skills as to my work on councillor.

I have very specified goals for the community such as, providing our members with proper education, ensuring our band members have access to equal job opportunities also formulating training opportunities for all and designing a housing program for better living standards for our people.

When elected, I will work with council and committees to move forward with any abandon or neglected programs that may have been overseen in the past and ensure that access to any resources are available to our community and our people.

This is my vow and pledge to the members of Muskeg Lake Cree Nation.

**Elect  
Alvin Arcand  
Jinx**

**For On-Reserve  
Councillor**

## Introduction

---

My name is Alvin Arcand. Many of you may know me as “Jinx” the son of Maurice and Lillian Arcand . I am the youngest of seven brothers and seven sisters.

I have made the decision to run for the position of on reserve Councillor.

It’s time for change !, it’s time to move forward with a structured plan. I believe I have the experience and skills to work with Chief and Council to implement these long over due changes.

When voted in, I will represent all Muskeg Lake Members equally no matter their status on or off reserve.

I will use my experience and negotiating skills to work for the people. I will work tirelessly to resolve the many personal issues our members have such as: poverty, addictions and homelessness.

## Continued

---

Relying on my years of business experience I am confident I can find the resources to help band members to better their lives and work with council to implement these changes.

I will be the voice to ensure that all people of Muskeg Lake are heard and they have not been forgotten.

I will be reaching out to the elders and families to personally hear what is needed and work with them to make these changes happen on and reserve, also making our elders are taken of.

I will reach out to members that are struggling on and off reserve and making sure our elders are taken care off.

A vote for Alvin Arcand is a vote for change and a better future!

## Platform

---

Seek out and develop additional Business Opportunities for the Nation.

Develop Educational and Skilled Training Programs for Band Members through Provincial and Federal Grants.

Increase employment on and off reserve with a hire band members first policy in place.

Develop a more comprehensive housing program including both new construction and renovations.

I will work with Chief and Council to develop a clear policy of transparency in all matters that concern the Nation.

I will work with council in developing both short term and long term financial goals.

I will work with Council in doing a complete review of all band businesses.
