

ELECT CLIFFORD TAWPISIN SR. FOR COUNCIL

*"Let's quit
talking about
it, and let's
get it done...."*

Listed below are a few of the initiatives that WE as a council worked collaboratively on for the success of our First Nation.

- Signed an MOU with SaskPolytech to deliver meaningful skills and training opportunities for our members.
- Putting our children first, taking the necessary actions to have Jurisdiction over Child and Family Services.
- Negotiated claims with the Government:
 - Louis Riel Annuity Claim (Signed)
 - 1919 Soldier Settlement (in the final stages)
- Constructed two new buildings – Lakeside Medical Clinic and SIGA Head Office in Saskatoon.
- Seven housing units to be built, finished 5 units with 2 still in construction.
- Remain committed to the well-being of our members, young and old, by supporting their extra-curricular athletic activities.

With so much work completed and still a lot to do, I humbly ask for your support and allow me to continue working for you and the Muskeg Lake Cree Nation. As a dedicated team player, I will work hard for our community, with integrity and transparency to ensure our continued success.
